## Alice in Wonderland

Read the story. Then answer the questions.

It was a warm summer day and Alice was getting bored sitting beside her sister, suddenly, a little White Rabbit with pink eyes ran in front of her shouting, "Oh dear, I'm late," and then disappeared down a rabbit's hole. "I must find out why he's in such a hurry!" cried Alice. She ran to the rabbit's hole and peeped through the entrance. The hole dropped suddenly and Alice fell. Finally she landed in a narrow hallway with doors of many sizes. On a table, Alice found a tiny gold key and a green bottle that said "DRINK ME" she drank it. Alice began to shrink until she was no bigger than a doll. She opened the door and quickly ran through it. "What a splendid garden!" she exclaimed. But the excitement soon wore off. "I want to be big again," she shouted. Alice went looking for help. Soon, she saw a green caterpillar. He was sitting on the top of a large mushroom. "One side make you big, the other side make you small, the mushroom," he answered. Alice ate a piece of the mushroom. "Thank goodness, I'm growing!" Alice continued her walk. In the middle of a field the Queen of Hearts was playing croquet. "Have you ever played croquet?" the Queen asked Alice. "Yes," Alice answered. "Play with me!" ordered the Queen."And let me win or I'll have your head!" "Off with her head!" cried the Queen. Alice felt someone touch her shoulder, "Wake up. You've been sleeping for too long," said her sister softly. "I had a strange dream," said Alice.

kitchen or clean her room. Dora would start doing the work and mid-way forget what she was up to. She would later get scolding for not listening to her parents. Once in fact, Dora was writing her exam paper and she got carried away into her dream world. She started imagining all the things she would do once she reached home, what all she would eat, the games she would play etc. The next time she heard a bell ring, the time was up. She wasn't even done with her paper! She knew all the answers, but her time was up.

Dora was very upset. Her parents were always angry; she was not able to focus in school. One fine day, she went to her mom and told her the problem. "Mommy, I'm always dreaming something, and I really enjoy it. This is creating a lot of problem. I don't want to upset everyone. What should I do?"

Mommy knew that Dora was an imaginative child. This was not a bad thing. It is good for children to dream and make fantasies. That is what childhood is all about; she didn't want to take this away from her. She explained to Dora, that it is a good thing to dream, but she should also be aware of her surrounding. Dreaming during playtime, before going to bed, while making stories with friends is a very good habit. Dora should however try her best to focus when she is in school, or when Mom and Dad have given her a task or when she is studying.
